

MAPLE LEAF & CANADIAN FLAG

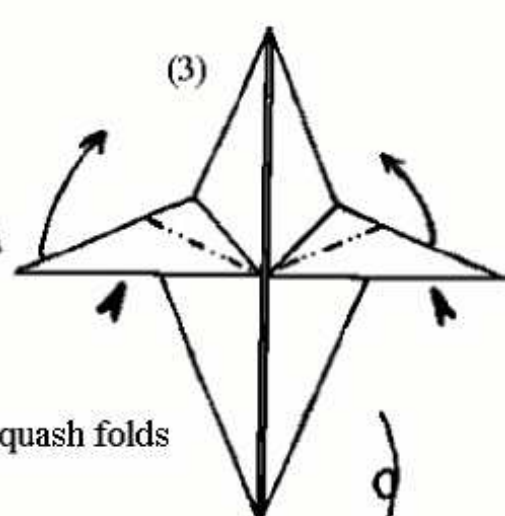

For the whole flag, you will need two squares of paper - one twice the size of the other e.g. 15cm x 15cm and 30cm x 30cm. For the Maple Leaf, begin with the smaller square. Fold a Bird Base, colour out, & rotate to the position shown.

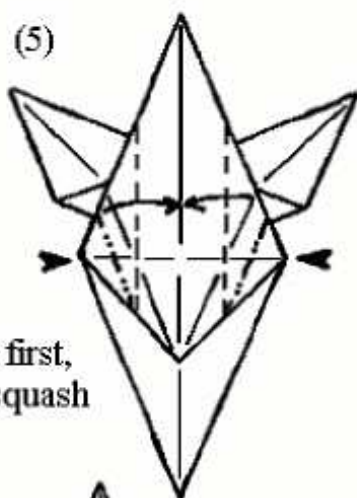

Valley one point down

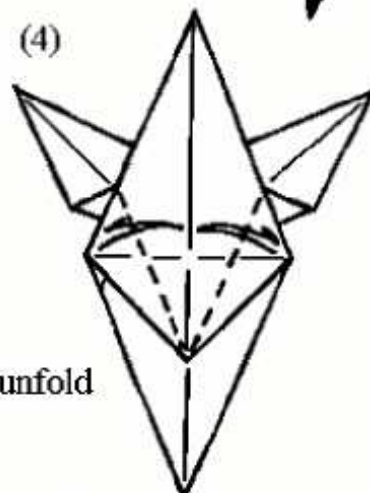

Valley points to the side

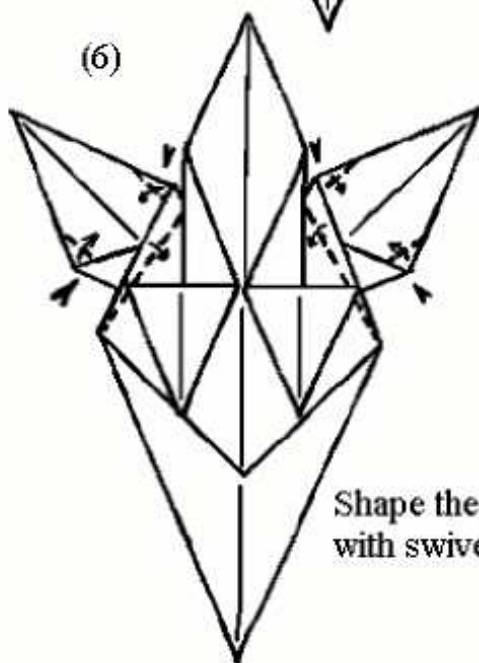

Squash folds

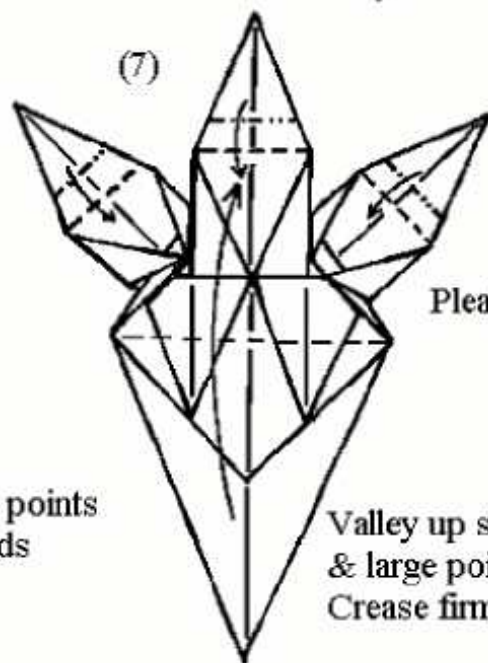

Crease first, then squash

Crease and unfold

Shape the side points with swivel folds

Pleat each point

Valley up small & large points. Crease firmly here
