

7. Valley in sides to lie along existing creases.

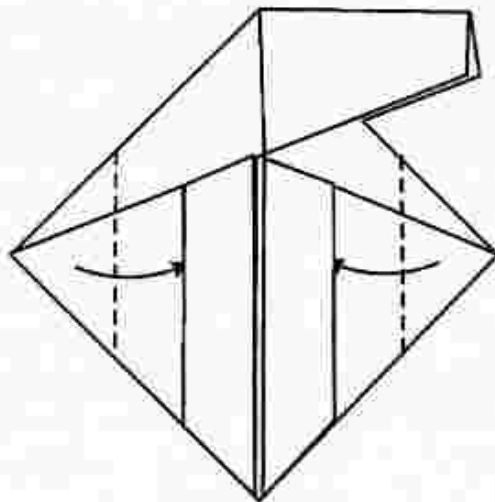

The sides will overlap.

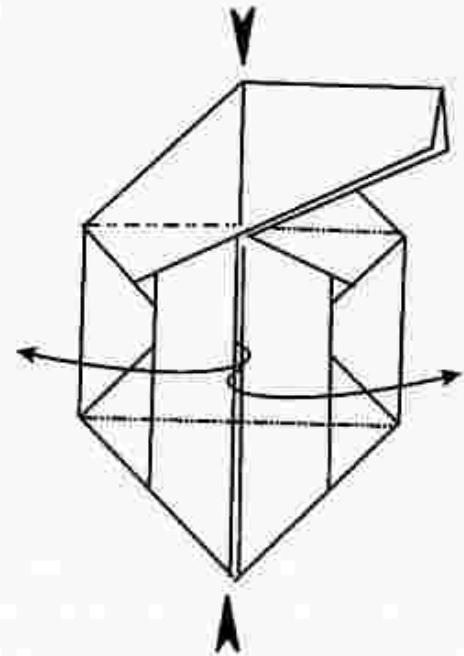

8. Form a rabbit's ear, folding the "ear" to one side.

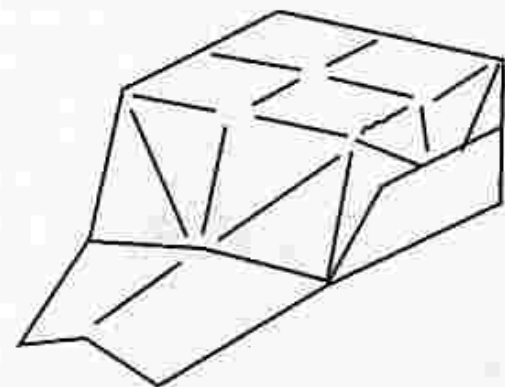

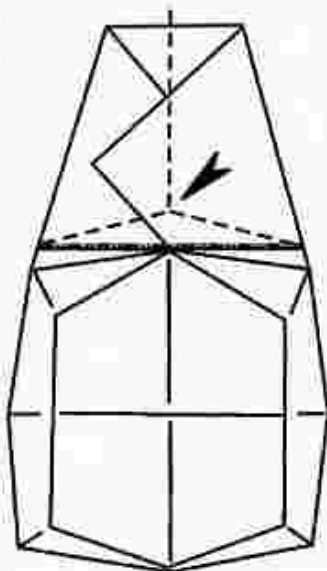

9. Tuck side points into pockets to lock the hat together.

10. Open up hat from the middle to make 3D.

11. View from inside the hat - make small V - crimp to shape peak and hold in place.

12. Baseball cap completed - wear the peak to the front or back as you wish!
